第11篇 (As you sow, so shall you reap)

ヤマザキ コレ
YAMAZAKI KORE

GET
BACK...

I NEED...
I NEED TO
LEAVE.

where do
you think
you'll go
looking
like that?

you're losing
yourself,
amsworth.
polluting
the world
around you.

no.

you call
yourself
a masquer,
but look
at you.

you're distancing
yourself from
us and from the
children of man.
you'll find your end
as nothing more
than a monster,
consumed by
obsession.

LET,

ME,

GO.

this is
but a
branch.

hold
your
tongue,
you—

the mighty
tree is not
bothered
by losing
a single
branch.

a lost eye,
a lost ear,
a lost mouth.

TITA...

NIA...

poor,
poor
child.

elias.

she's
left you,
hasn't
she.

I know
you don't
want my
pity.

forgive me
for giving it
regardless.

You promised
you'd stay by
my side...

Until I said
I didn't need you
any longer.

CHISE...

WHY.

but you love
them in the
manner of
our people,
don't you.

you find
yourself
drawn to the
humans,

If you wish
to pursue her,
my queen and I
shall lend you
our strength.

I don't know
what's going on,
but trouble
in a couple
never good
news.

though
I suppose
there's a time
for everything,
though, inclu-
ding this
business.

your
majesty!

mmm.
mmm.

such short
lives, and
I used them
up like pack
mules.

It was
such a pity.

all of titama's
mortal lovers
went that way.

children of
man die so
easily, you know.
why, look away
for a second
and there
they go!

when we
get her back,
keep her close
so she can
never get
away again.

you know
what that
means,
right?

THAT
WON'T
WORK.

NO.

THAT'S
NOTHING
MORE...

...THAN
WHAT I
WANTED
FROM THE
BEGIN-
NING.

WHAT WAS
INSIDE MY
HEART THAT
SHE COULDN'T
FORGIVE.

...IT'S
JUST...

SHE NEVER
CARED
ABOUT WHAT
I LOOKED
LIKE.

SHE...

...IF SHE
WON'T COME
BACK TO ME
AS LONG AS I'M
A MONSTER...

THEN...

THEN I CAN'T
BE A MONSTER
ANY LONGER.

...I DON'T
KNOW.

IS IT SO
BAD?

that's
just what
we are.

you
shouldn't
have to
be the
only one
changing
yourself.

what you
call being
a monster is
just another
part of
yourself.

RUTH.

DO YOU
KNOW
WHERE
CHISE
IS?

THAT'S
ALL.

...ALL I KNOW
IS THAT FOR
CHISE TO
COME BACK
TO ME,

I NEED TO
THINK ABOUT
WHAT I'VE
BEEN DOING.

Let your
thorns wind
round my
branches.

Go from
here to
stand with
your other
half.

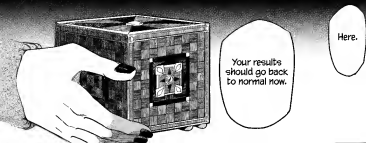

Like
someone
was
staring
at me.

I just
felt a
shiver...

Alice?

魔法使いの嫁

The Priest's Magic Bride

mariel.

what did
you tell
our quest?

Phyl-
lis?!

What
are
you...

I'm walking
through
the shadows
right now.

we only
learn how
to hurt in
order to
heal.

never
bring harm
to people.

have you
forgotten
our ways?

How...

How did
you...

can you
say that
knowing that
a life is being
lost in a
place you
can't see?

*I didn't do
anything!*

*it's not
my fault!*

*How can
you be
such a
saint?!*

will you let
that weight
rest on
your soul?

Can't you just forget about people you'll probably never meet or see again?

Can't you just take care of yourself for a change?

IT'S ALWAYS LIKE THIS! YOU'RE ALWAYS THE ONE SAVING SOMEONE AND TAKING THEIR BAD LUCK ONTO YOURSELF.

YOU NEVER NOTICE HOW WORRIED WE ALL ARE FOR YOU!

I know that!

We're not talking about me right now...

But what the hell, Phyllis!

All I did was tell him! I didn't do anything because I knew you'd hate it!

There's plenty more people who love you, anyway. You're better off without me.

I DON'T CARE IF YOU HATE ME NOW.

I'LL QUIT THE COVEN TOO, IF YOU WANT IT.

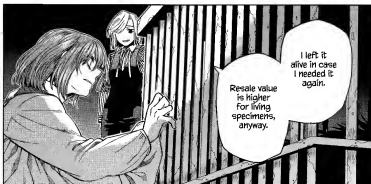

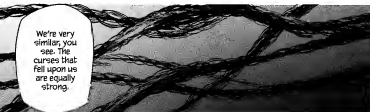

She's pale, but not as bad as back then...

...Joseph.

*I'm cursed
with eternal life,
even while my
body continues
to break down.*

*You with
certain death
while your body
heals itself
endlessly in
the mean-
time.*

*Who knows?
They might reach
equilibrium.*

*If I transfer
your arm, the point
where your flesh and
curse become one,
over to myself...*

Mmmm.

*I think
that'll be
best for
now.*

*...is that all
you want?*

*Just my
arm?*

...I know it's a bit late for second thoughts, but I'm having trouble trusting you.

I'll even let the dragon go, since I'll be done with it.

Then you'll get my curse, with hopefully the same results.

I'll give you part of myself too.

I'm doing this.

It's not about whether you trust me or not.

I'm a bit concerned about a possible immune reaction, so let's start off with an eyeball exchange to get us warmed up, shall we?

...I just have to give you my arm?

*You know,
you and I,
we're the only
people in the
world who can
see it the
same way.*

*Once the
curse settles
in a little
I'll start on
the arms.*

*You'll be
asleep for
that one,
so don't
worry.*

*The world
looks so
beautiful
through
your eyes.*

*...I'm
a little
jealous,
now.*
